**A SUMMIT AVENUE RESIDENTIAL PRESERVATION ASSOCIATION NEWSLETTER  
ABOUT PEOPLE AND EVENTS ON SUMMIT AVENUE**

## **A Word from President Les Meltzer**

The Board of Directors of SARPA invites you and interested neighbors to attend this year's **annual meeting of the Summit Avenue Residential Preservation Association (SARPA)** that will be held **Monday, April 10, Temple Mount Zion at Hamline and Summit Avenues**. The meeting will start at **7 p.m.** but please get there a bit early to visit with your friends (and perhaps make new ones.) Light refreshments will be served before and after the meeting where we will elect officers and board members.

**Architect and art historian Tom Blanck will highlight the evening. He will present a program about our historic Summit Avenue and how its architecture makes it one of the grandest streets in America.** Tom's specialty is Cass Gilbert structures and he also can be seen talking about governors' portraits at the Capitol Wednesday nights, 7 p.m., on Twin Cities Public Television.

This will be my last meeting as president of SARPA. I want to thank all SARPA members for their support and assistance during the last two years. I also want to thank my wife, Eileen, for her encouragement and for her good counsel concerning matters in which we became involved.
